Dear Hugh Brewster & friends —

I'm being cut open for Hernia
Aug. first week, & if well enough
will go join anti War brothers Gaily
in Miami Beach to feed up the Republicans,
so I can't join your Party in Toronto
tho it sounds like a Charming late XX
Century ball on Turtle Island (as
the Maids Indians knew American Continent) —

Humor and love are essential
elements of all Public Protests (Protest
etymologically meaning affirmation of
a Cause) (not negative put down of an un-cause)
Especially Protests in the Cause of love
itself. Tender Spectacles are always
best in Eternity. Don't let no one get mad!
Surround the Government Place and

2
let everyone sigh or utter a
great appreciative Ah!

I'm going to Miami to say
"Ah" to all those tortured and
torturing Republican sex funds.

Good luck with your hoves

— Ah
